Tennis Team

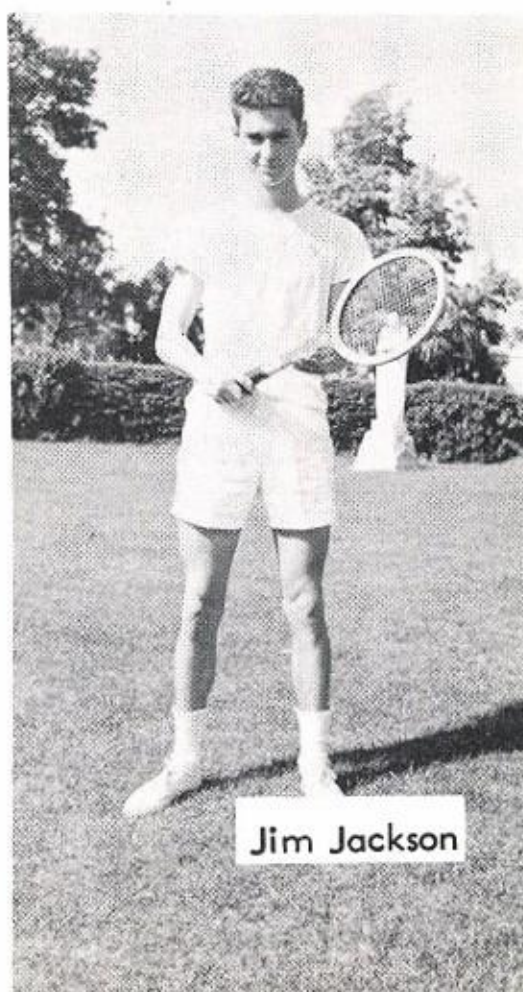

For the past five years tennis at St. Mary's has been a major spring sport. Seldom has the team lost more than a match or two, and this year was no exception. Playing the best in the Bay Area the team was undefeated in seven matches, against such schools as Berkeley, Richmond, Mt. Diablo, Albany and Oakland Junior College. Yearbook deadline date prevented a complete record of the team's schedule.

The Story

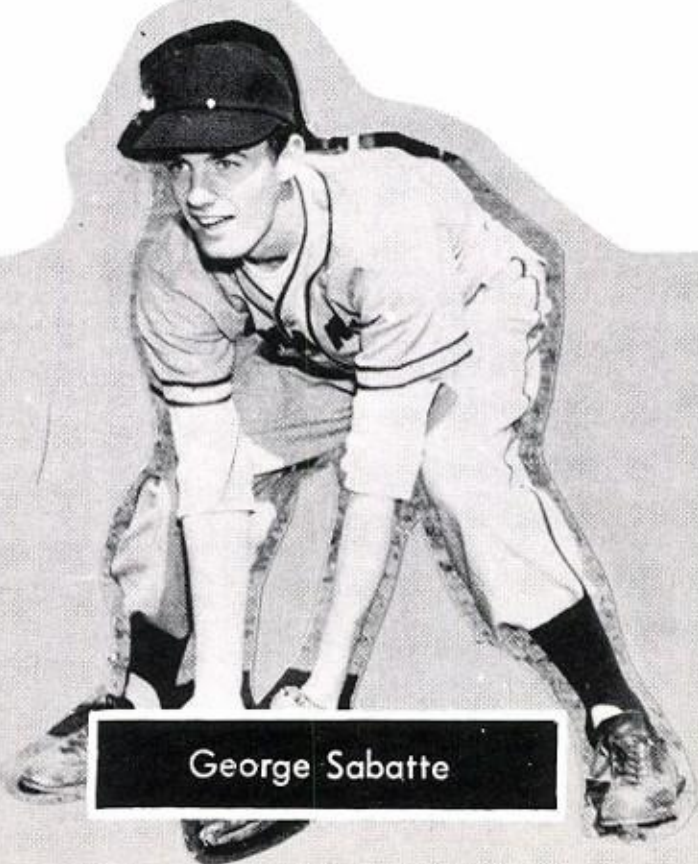

In his first year as head baseball coach at St. Mary's Mr. Ernie Cecaci gave evidence that the baseball future for St. Mary's is bright. Handicapped by a prolonged basketball season that kept many of his key players away from practice, the team, nevertheless, opened the regular season in good shape and although they lost the first two games, both were well played and contested until the last out. Since the year-book had to go to press before mid-season, little can be said about the season record. Players who gave promise of distinguishing themselves were, Richie Mason, a newcomer at catching, Frank McDermott, consistent hitter, Jim De Costa, strong pitcher, and George Sabatte, infield mainstay.

Junior Varsity

Although the Junior Varsity did not sport an outstanding record in the won and lost column, they did have a successful season in as much as four of the players, Felix Francisco, Bill Spranger, Jack Dold, and Henry Wellington were graduated to the Varsity in mid season. Other boys who played well and will undoubtedly see much action next season on the Varsity are, Pat Fleet, Fernando Montoya, and Jack Silvano.

Freshmen

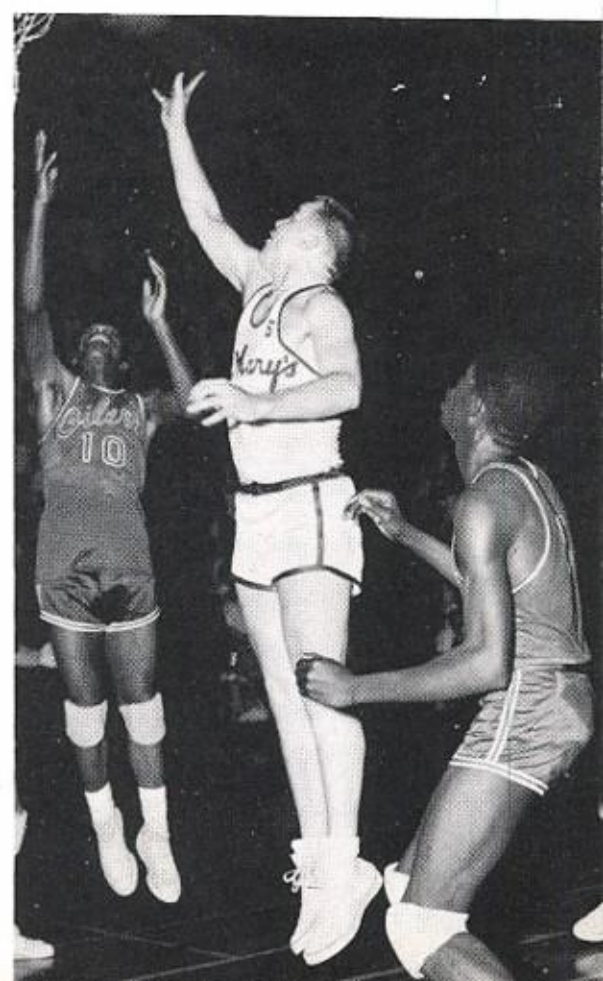

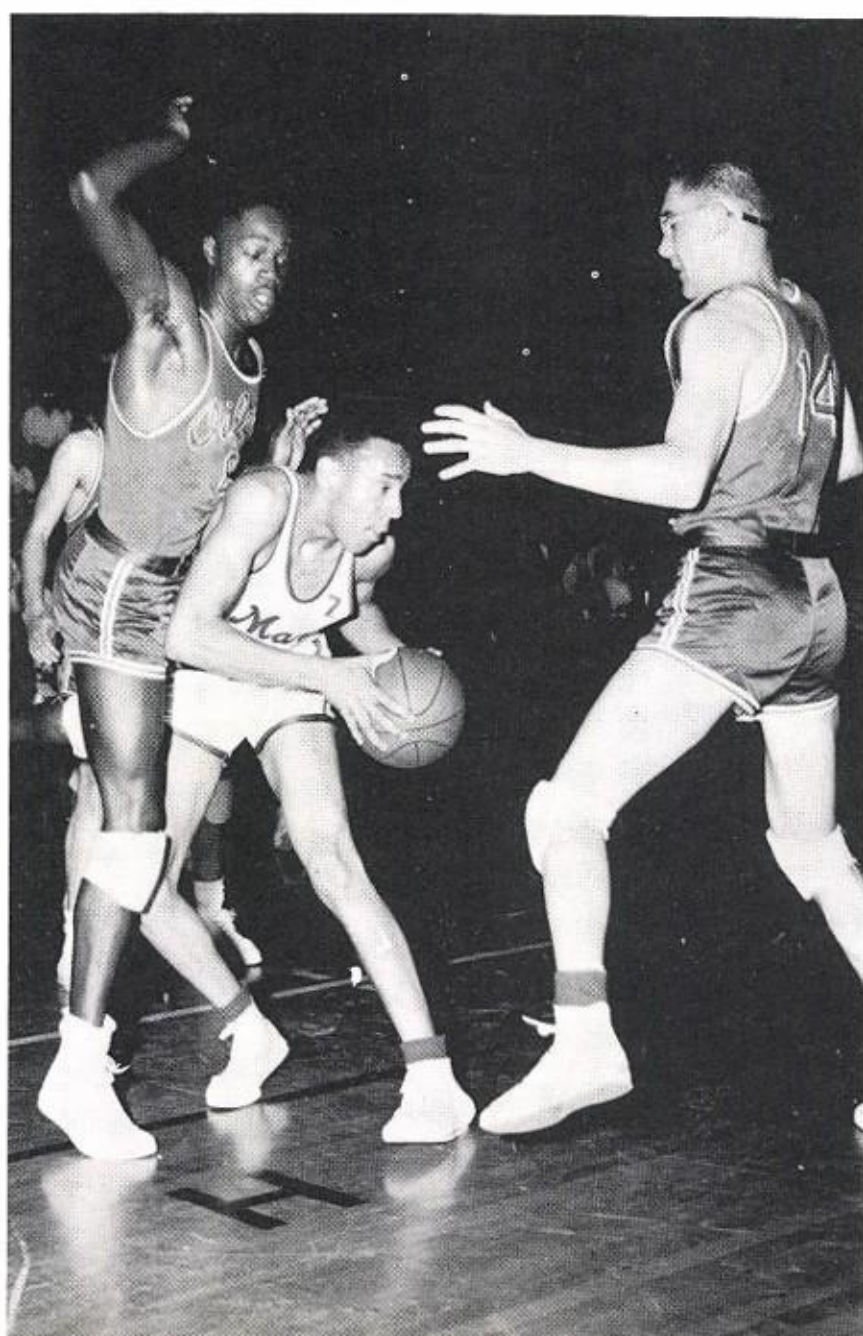

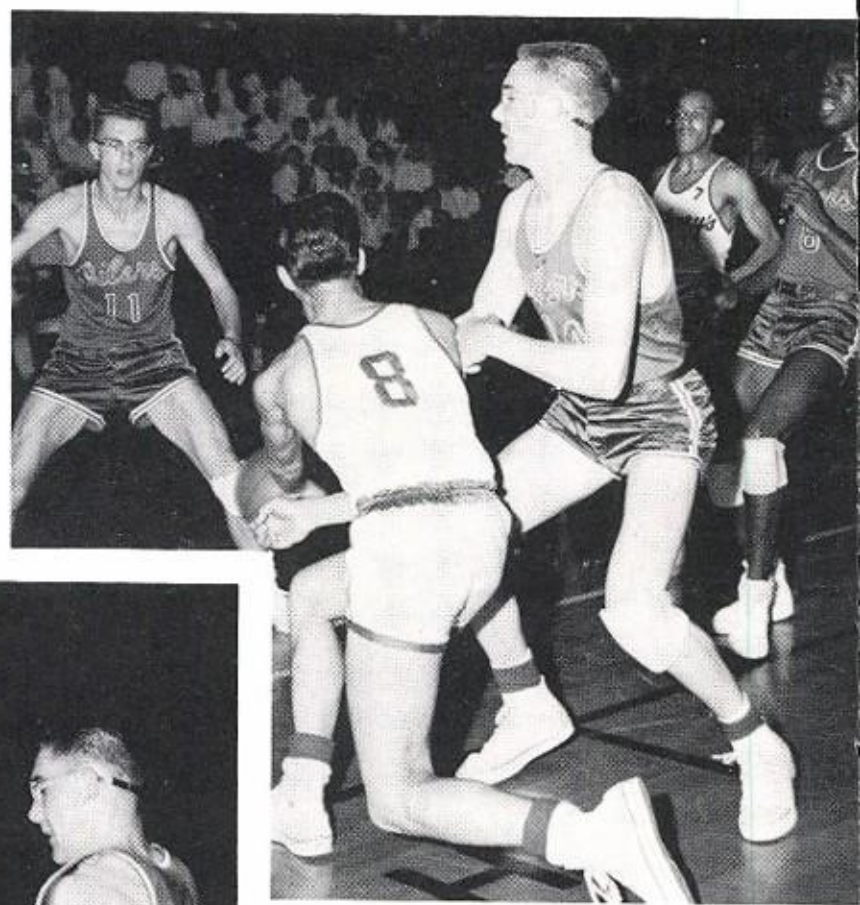

The Freshman team popularly known as the "Rinky Dinks", gave every sign of carrying on the St. Mary's tradition of great basketball. Playing an informal schedule of junior high schools, pickup teams, etc., the "Rinky Dinks" won 8 and lost 2. Three players, Bob Mason, Phil Rossi, and Ray Marchetti were promoted to the Junior Varsity in the mid-season.

BOARD OF STRATEGY AT WORK: Mr. Cecaci, J.V. Coach; Brother Eugene, Fresh Coach; Mr. Hagler, Varsity Coach.

"This is the last of the golden teams at St. Mary's for a long time." That is what the seniors said at the close of the 1954 season, but Coach Bob Hagler surprised everyone with another great team; in fact, a team which many say was the greatest in a long line of great St. Mary's teams.

But 1954-1955 will be remembered most of all because of four important events--winning the Catholic Athletic League Carnival, Catholic Athletic League Championship, the Acker Tournament, and placing second in the Tournament of Champions.

Having a 31-3 record St. Mary's dominated League play and the East Bay. Erv Blue captured League scoring honors with Bob Dold and Joe Barry taking second and fourth respectively. All three made All-League, and George Korte was chosen on the All-Star team at the Carnival. Fred Friedman, the fifth man was a ball hawk without compare and perhaps the greatest sophomore to perform on a St. Mary's Varsity.

Having romped through the Acker Tournament, the team reached its greatest height in the second game of the T.O.C. when they beat previously undefeated Richmond 50-48 in what was described by coaches present as "the greatest game of high school basketball ever played in Northern California."

The Story

Because of inexperience and key injuries the Panthers stumbled off to a slow start by falling to Tamalpais and Albany. They hit their stride by beating Santa Rosa, Amador, and Marin Catholic in succession. In the season's crucial the Panthers dropped a 6-0 verdict to Serra, on a faulty pitchout, which proved to be the downfall of the defending champs. The Panthers failed to lose morale and came back to beat a strong Riordan team in a defensive battle, and then ended their season by shutting out St. Elizabeth's.

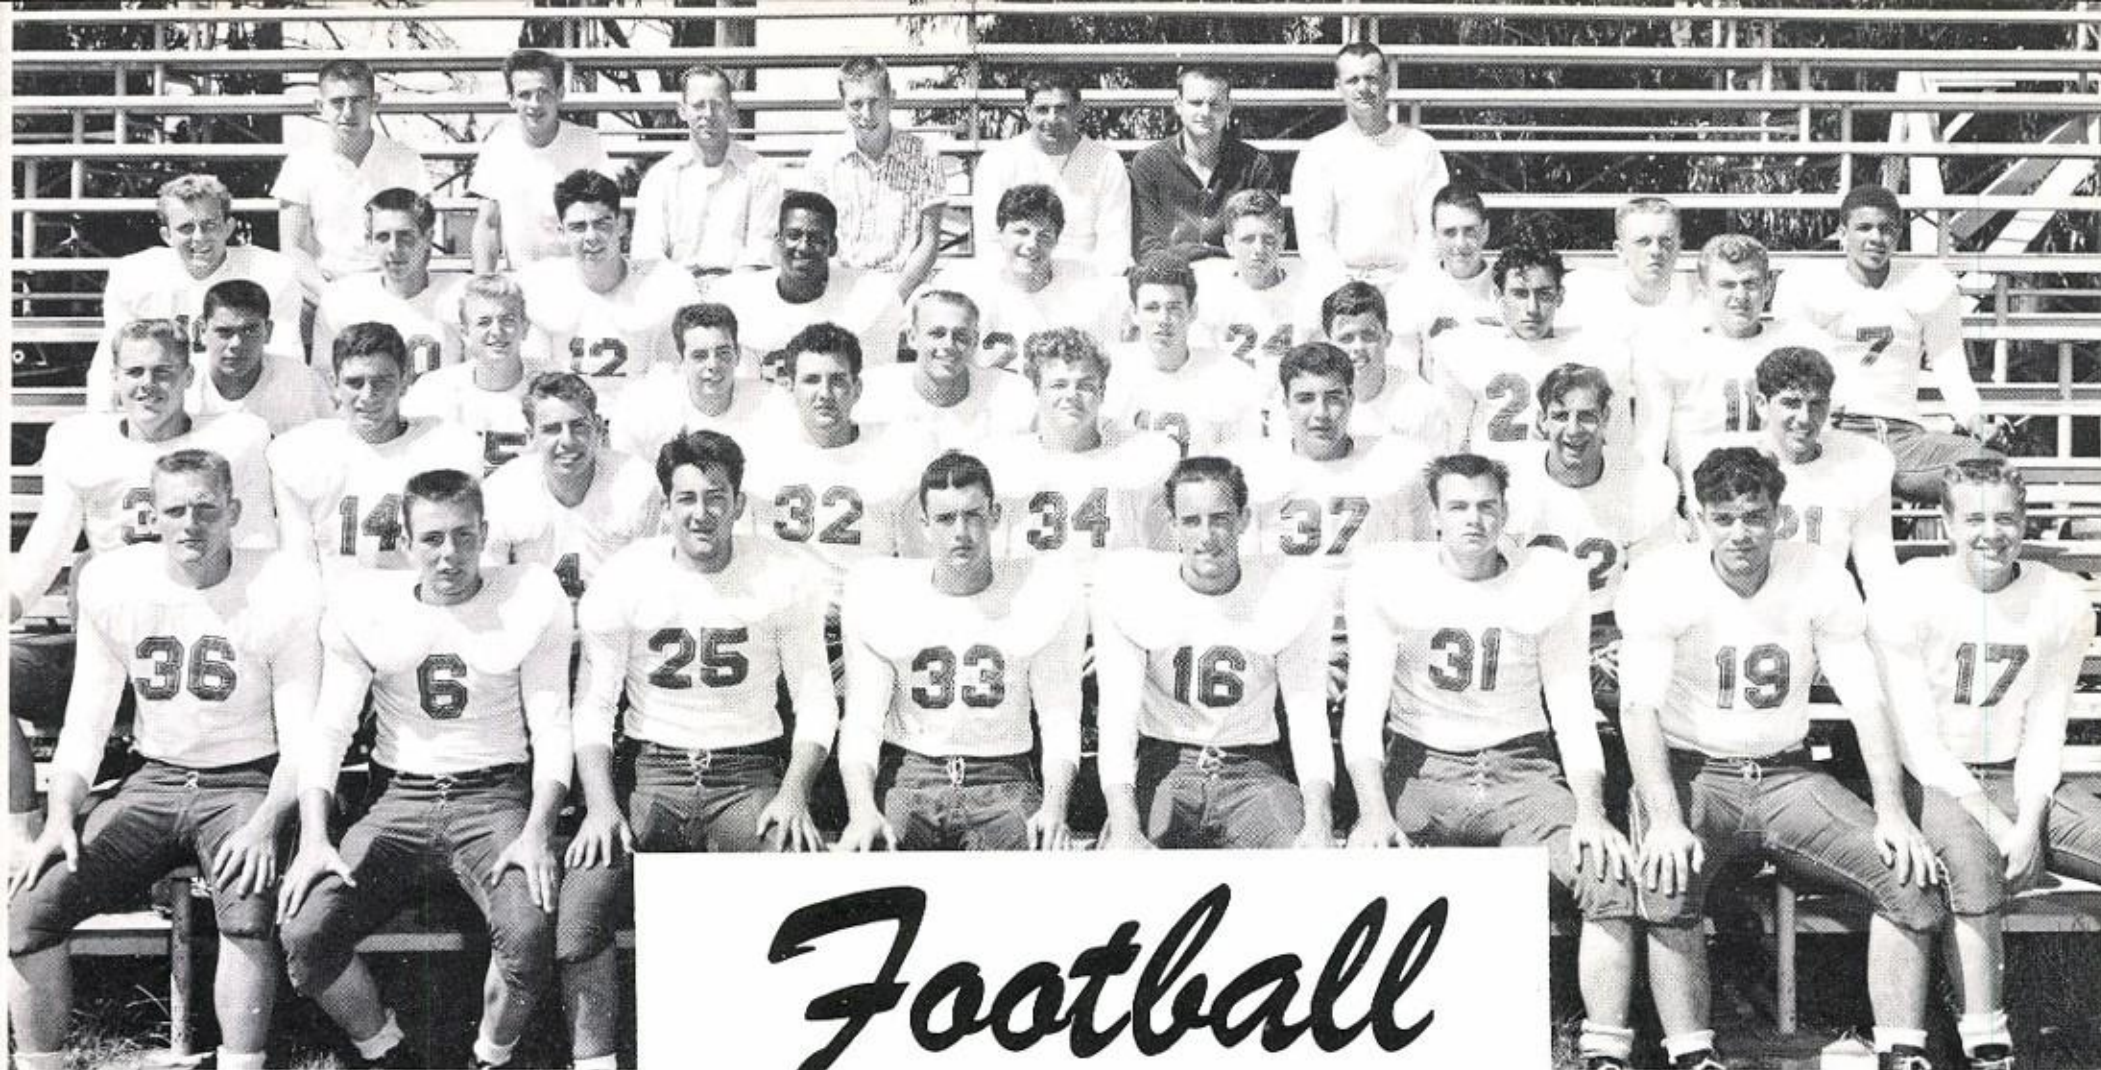

The standouts for the season were hard to single out because of the all around balance of the team. The first string defense was unscored on in league play, and must be congratulated. Players selected on all-star teams were Mac Powell, Jim Curtin, and Wes Atkins. Dick Dold, Frank McDermott, and Curtin received the "Athlete of the Month" awards. The coaches deserve credit for molding the players into a smooth and spirited team, which was representative for St. Mary's High athletic standards.

Outstanding for the year 1954-1955 was the spirit and support of the student body. All activities, social, academic, and athletic, were enthusiastically backed by enthusiastic rooters. Under the direction of Brother De Sales and Dennis Lid the rallies took on a new sparkle and life. The climax of the year was reached when the school was awarded the first place trophy at the Tournament of Champions for having the best rooting section.

Dads' Club

The St. Mary's Dads' Club, under the leadership of President Robert Oyarzo and Moderator Brother Joseph, had an active and fruitful year. The students are most indebted to the Dads for their contributions to the yearbook, to the athletic department, and to the social program of St. Mary's. As the pictures on these pages illustrate, the Dads are a self-sacrificing bunch of fellows who believe in the gospel of hard work. After contributing well over \$3000 to the extra-curricula activities of the students the Dads were still looking for new ways to help St. Mary's.

Ends 25th Year

The Mothers have donated money to the school for athletic equipment, they have purchased medals as prizes for academic competitions, they have helped finance the yearbooks, and all-in-all have made their presence felt in every activity here at St. Mary's.

During the past twenty-five years their financial gifts have been estimated to be in excess of fifty thousand dollars, and with the largest membership in their history they look forward to many more fruitful years in building St. Mary's.

This year, under the presidency of Mrs. Jerome Carrera, the Mothers' Club celebrated their twenty-fifth year and memorialized the occasion with a gift to the school of an exquisite silver chalice.

Mothers' Club

Throughout the past twenty-five years the Saint Mary's College High School Mothers' Club has constantly promoted the interests and welfare for the students of our school.

Not only have they established and maintained a scholarship fund, but they have cooperated in the education of their sons by bringing about a closer relationship between teachers and parents.

Since its foundation under the leadership of Mrs. Aurther Sherry, the Mothers' Club has constantly promoted entertainments, field days, massive card parties and dances for the benefit of the students of St. Mary's. Aside from these activities the Mothers' Club has presented dinners, fashion shows, parties, picnics and luncheons for the enjoyment of the parents.

Principal's Message

A Yearbook is a record of people, events, and activities. As such it is a collection of pictures, a compendium of data and facts. Yet it is more than all this. In its pages the Yearbook portrays the spirit of a school, and the Peraltan--- the spirit of Saint Mary's.

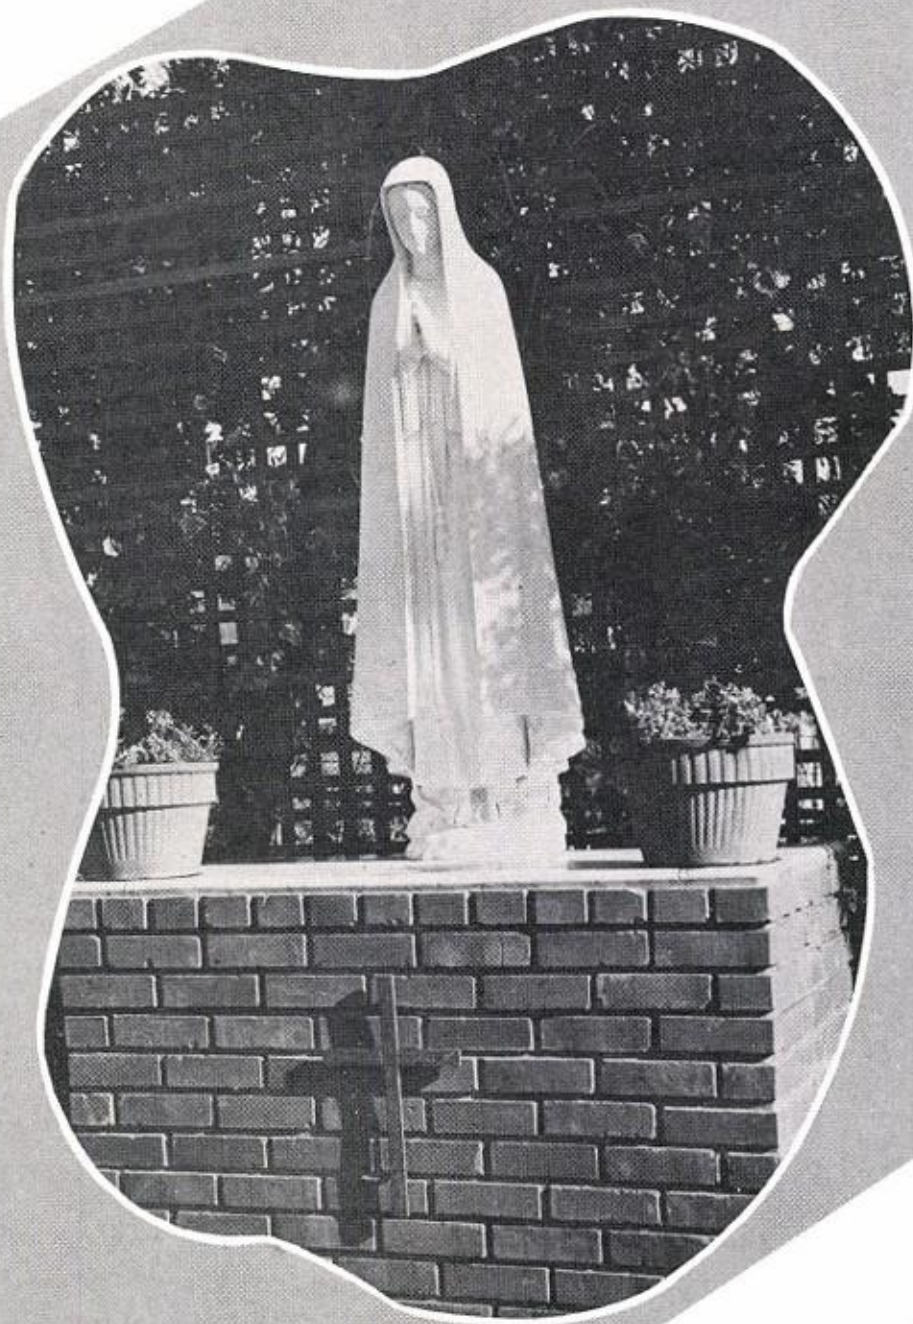

The portraits and the pictures of classes recall the friends we have made. Faces and names! These trigger the memories of loyalty, generosity, and manliness that characterize the men of Saint Mary's. And the faculty pages! These spark in our mind the joys and sorrows of learning, the labors of themes, the anxiety of tests. These same pages, too, recall the devotion and sacrifice of teachers spending themselves to make men of the boys of Saint Mary's.

Even more than these, the pictures of the events and activities capture the spirit of our student body. Scenes of rosary devotions, of student body mass and communion vividly recall the intense loyalty for things eternal. Academic contests and social events, dramatic productions and school assemblies, clearly portray the interest and enthusiasm that mark the men of our school. And, finally, the athletic contests; the sweat and skill of our players, the thrill of victory, the determination in defeat, stir again in our hearts the courage so marked in the teams of Saint Mary's.

And so it is that a yearbook portrays the life and spirit of a school. So it is that the Peraltan portrays loyalty, enthusiasm, manliness and generosity----- these are the SPIRIT OF SAINT MARY'S.

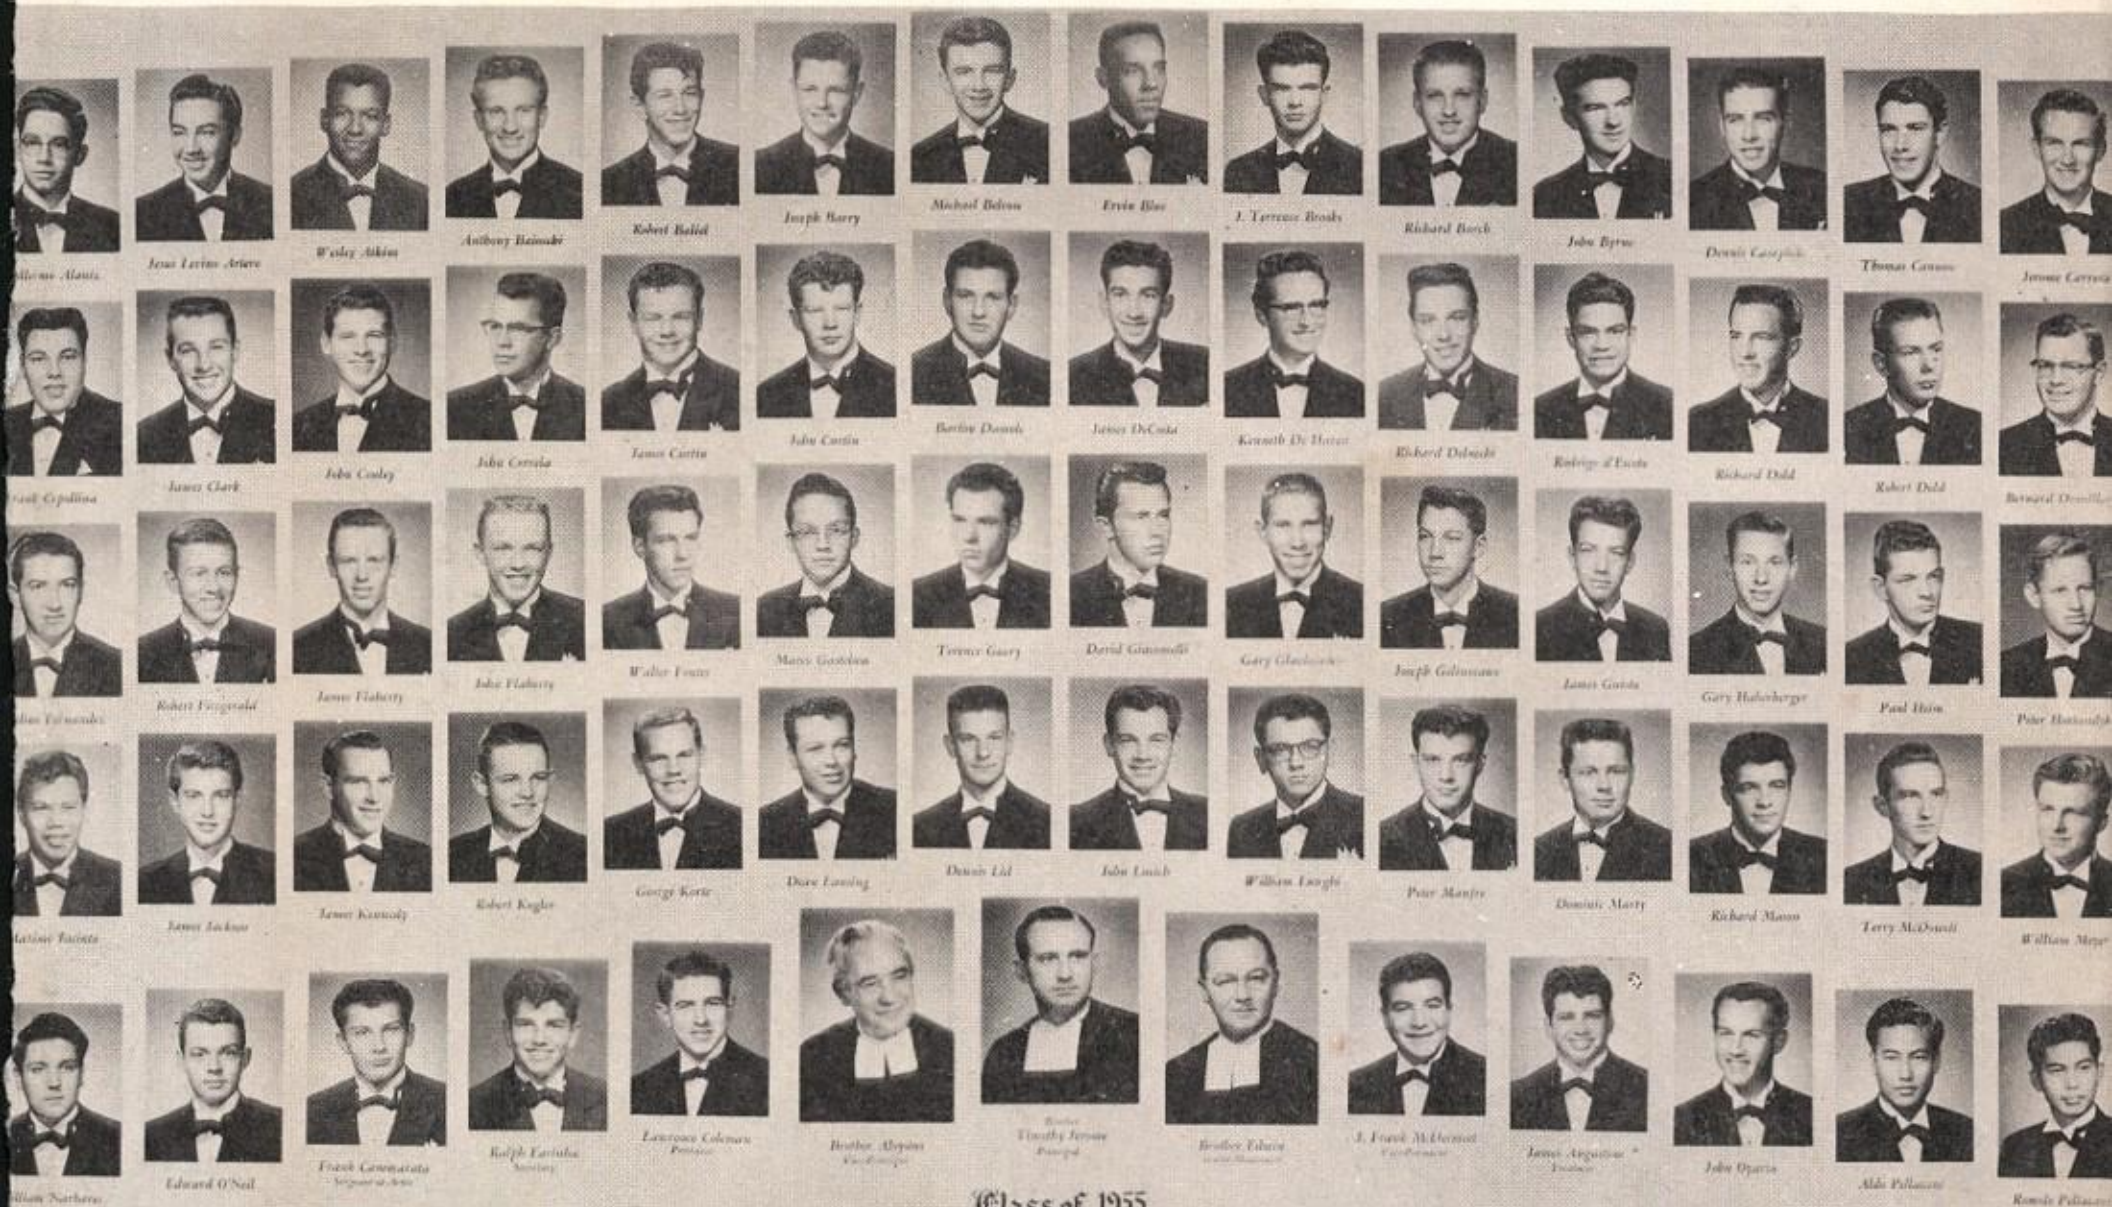

Brother T. Jerome
